CLERK: (Roll call vote taken. See page 530 of the Legislative Journal.) 15 ayes, 24 nays, Madam President.

PRESIDENT MOUL: The Chambers amendment fails. I'll raise the call.

CLERK: I have nothing further pending to the committee amendments at this time, Madam President.

PRESIDENT MOUL: Is there anyone else who wishes to address the committee amendments? Senator Warner.

SENATOR WARNER: Madam President, members of the Legislature, I have a question, I guess, for Senator Schimek. I...when I read the committee amendment it permits these machines to be in certain places that are not public areas. And my question goes to definition of what constitute a public area in a business, specifically type of example I'm thinking about, virtually every equipment dealer I can think of, there is a sign that goes back in the shop, says employees only, for insurance reasons, only employees are allowed. Now, obviously the rest rooms are back there, if they have vending machines for whatever they have, they're going to be over there in that area. Everybody goes back there because you can't check on the tractor and visit with the mechanic without doing it. But I'm wondering what
